

RoHS Declaration of Compliance

The European Parliament and the Council of 27th January 2013 decided to reduce the presence of certain hazardous materials in electrical products.

RoHS 2002/95CE, DEE2002/96CE and 2011/65/EU directives restricts the use of certain hazardous substances. EU Directive 2017/2102 added 4 additional substances, in its subsequent amendments.

Our manufactured products do not contain the substances listed below in concentrations greater than the listed maximum value:

- ✓ Cadmium (Cd) : 100 ppm (0,01%)
- ✓ Chrome hexavalent : (Cr 6 +) : 1000 ppm (0,1%)
- ✓ Mercure (Hg) : 1000 ppm (0,1%)
- ✓ Plomb (Pb) : 1000 ppm (0,1%)
- ✓ Polybromobiphényles (PBB) : 1000 ppm (0,1%)
- ✓ Polybromobiphényléthers : 1000 ppm (0,1%)
- ✓ Bis(2-ethylhexyl) phthalate (DEHP) (0,1%)
- ✓ Butyl benzyl phthalate (BBP) (0,1%)
- ✓ Dibutyl phthalate (DBP) (0,1%)
- ✓ Diisobutyl phthalate (DIBP) (0,1%)

We hereby declare that the products marketed by TFS are compliant with RoHS.
